this is a faq page i saved from seichiinara's site when it was still up. it's no longer on the web, but it's worth looking at if you want to know more about mogeko's characters.)

QUESTION AND ANSWER SEGMENT

Answers received from Mogeko through email (currently still looking for my saved copies of the translated answers, not all info is up right now). I'm too lazy to edit the formatting errors anymore so if you see white spots just highlight with your cursor and the words should become visible.
